
SCANDIOTRIBE

SCANDINAVIAN ROCK BAND

A VINYL ALBUM

With inspiration from a time where music and artwork was a craft. A craft only to be found on a glorious sounding analog vinyl.

SCANDIC TRIBE, a new Scandinavian rock band emerges onto the scene, with their very own brand of rock n' roll.

From their base in Scandinavia, they haven taken their musical talent to the United States, where they teamed up with world renown producer Roy Z (Rob Halford, Bruce Dickinson, Judas Priest, Tribe of Gypsies), and mastering engineer Maor Appelbaum (Rob Halford, Faith No More, Yes, Meat Loaf).

The result is an amazing debut album, that tells you the powerfull true story "Light at the End".

A rock album that takes you on a musical adventure. A journey that will lead you from dark to light, in a combined effort between powerful songs and amazing artwork.

With the bands distinct signature sound of classic rock with a hint of modern flair, this is an album to check out. Sit back, and get ready to discover new details at every glance.
